

## **Prayers for those affected by Bushfires**

Dear All,

On this New Year's Day, we are thinking of those who have been affected by the fires.

Below is a message we have received from Father Tom McDonough CP, Passionist Provincial.

Best Wishes,  
Australian National Coordinating Team  
Frances and Michael, Gwen and Russell and Mary and Dennis.

*With all the terrible fires up and down the NSW coast and over in SA, so many of the members of our Family Groups must be touched and affected. Please let them all know that we Passionists are holding them in prayer during these awful days and the weeks still to come. A shocking Christmas and New Year for so many.*

*Thank God for the small respite for some today. Our prayers will continue.*

*Kind Regards  
Tom CP*
