

**Have you heard this before?**

“Our Parish lacks life. We don’t know each other!”

You can say that again!

Well then- A Family Group is just tailor-made for you! With monthly functions such as picnic, barbecues, dinners, etc., etc., and lots of friendly faces, so you’ll never have to say that again.

**Help build community in our parish - “JOIN A FAMILY GROUP”**

We’ve got lots of friends. We don’t need a group.

I’m a single mum.

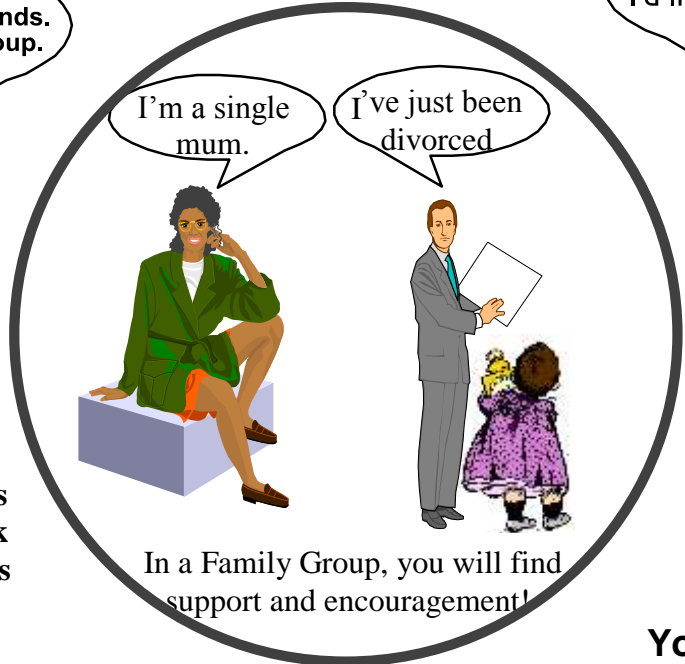

I’ve just been divorced

I’m new in this parish. I’d like to get to know more people.

Maybe a Group needs YOU! The trademark of the early Christians was : “See how they love one another.”

In a Family Group, you will find support and encouragement!

But we don’t have a family.

You don’t need to have a family. When you join a Family Group, you become part of an extended family.

What about me and me Uncle Fred? He’s not well, you know

You and your Uncle Fred would be most welcome in a Family Group

I’m Fred.
